

# BUZZARDS BAY

## *Progressive 3 couple longways set (2nd couple improper) - Reel*

- A1      1 - 4    1st and 2nd couples right-hand star *while* 3rd couple back-to-back.  
          5 - 8    1st couple back-to-back *while* 2nd and 3rd couples left-hand star.
- A2      1 - 8    Shetland Reel: Each man closely following his partner and each couple acting as a unit, all walk a reel (*hey*) for three. Start with 1st and 2nd couples passing right shoulders, i.e. 2nd couple coming up on the man's side and looping clockwise round the top of the set. 1st couple going down on the woman's side and cutting across the middle to loop counter-clockwise round the bottom. 3rd couple come up on the woman's side and cut through the middle immediately after the 1st couple passing them left shoulder and then loop clockwise round the top of the set. All continue in this way to original places.
- B1      1 - 8    1st couple face down, others face up and all dip-and-dive going over from the middle and under from the ends. On reaching the ends, couples should turn as a couple, the man turning his partner under his arm if he so desires.
- B2      1 - 8    1st couple lead down the middle, separate and cast back to place, *while* 2nd and 3rd couples fall back away from their partners and come forward and circle four to the left once round.
- A3      1 - 4    1st couple cross over and go down outside into 2nd place, 2nd couple moving up in bars 3 and 4, the man handing his partner across in front of him so that they end proper in the top place.  
          5 - 8    1st couple then cross over again and go down outside to the bottom, *while* 3rd couple move up to middle place in bars 7 and 8, the man handing his partner across in front of him to finish improper.

**REPEAT the dance twice more so that all end in original places.**
