

I HAVE A SONG TO SING

Duple minor longways - double progression – Jig

Introduction

- A1 1 – 6 All lead partner up a double and fall back and turn partner with both hands half way.
A2 1 – 6 All fall back away from partner, set right and left moving forward and change places with partner, passing left shoulder and turning single half way to the right at the same time.

Progressive Figure

- A1 1 – 6 Circle left half way and fall back away from partner, corner forward and change places with partner, passing right shoulder, but turning left straight into the next movement. (First progression)
A2 1 – 6 Moving on to the next couple, left hand star half way, turn single right and turn partner with both hands half way. (Second progression)
(The neutral couple may join in doing half left hand turn with partner instead of half left hand star).

Repeat the above progressive figure as often as desired, and then finish with the introduction.
