

NAN'S WALTZ

Sicilian Circle formation, couple facing couple round the room – Waltz

- A
- 1 – 4 All right hand turn with partner once round.
 - 5 – 8 All back to back right shoulder with person diagonally to the left as you face your partner, Man with Man, Woman with Woman.
 - 9 – 12 All left hand turn with partner once round.
 - 13 – 16 All back to back left shoulder with person diagonally to the right. End facing opposite couple (the couple you faced when the set was originally made up).
- B
- 1 – 2 With this couple circle left half way round.
 - 3 – 4 Fall back individually through the couple now behind you, passing right shoulder (Men outside, Women inside).
 - 5 – 8 With this new couple now facing you, two changes of rights and lefts.
 - 9 – 16 Ladies' chain there and back with the same couple.
 - 17 – 24 All take ballroom hold with partner and waltz all the way round this same couple, ending with each Man turning his partner clockwise under her arm on the last two bars and then taking right hands with her ready for the next round of the dance.

Notes

1. Remember in which direction you were originally facing.
2. The circle at the beginning of the B music is always with the same couple as the ladies' chain in the previous round.
