Editors' note:- In the original, the first figure of the dance was repeated three times but Pat Shaw suggested that siding and arming could be substituted in A1 and A2 the 2nd and 3rd times through respectively. This is current practice and that is the version given here. Also in the original, a pivot swing was specified for B1 bars 5 - 8 and B2 bars 5 - 8 but this has been dropped for a walking step in modern usage.
